SPECIAL RANGE NOTICE

Have a Merry
Christmas and a
Happy New Year!

FROM THE LSFSC PRESIDENT

By Longranger Rick
SASS # 62056

I hope everyone had fun this year, it sure did go by fast. Christmas is almost here, and with that cold weather also. Match attendance usually drops off in the colder months, so if you could be sure and get those membership dues in early this year. It gives us operating funds to get ready for spring matches and workdays.

Remember we have the SASS Texas State Championship the first weekend of May 2012. And this year we're going to try a new event called the Texas Three step, it will be a series of three matches, shot at three different clubs.

The first leg will be at Old Fort Parker in March. The second leg will be the SASS Texas State Championship at our club, and the conclusion or final match will be at Comin'-at-cha, the south western regional. If you sign up at or before Old Fort Parker in March you'll receive a \$30.00 reduction in price for each match...!

FROM THE CVV PRESIDENT

By Billy Bob Evans
SASS# 53658

Hi all, I hope every one had a good Thanksgiving. First item: our December match is the forth weekend, Christmas Eve and Christmas Day. Every one at our last match, voted to NOT hold a match Christmas weekend, please let any one you know who may be thinking of coming out that our next match is in January not December.

Next item, Wild Bunch, starting in January CVV will start holding a Wild Bunch match in conjunction with our regular Saturday match. Goat Neck has offered to help with the Wild Bunch match, our current plan is to run it as a separate match not as a category to the main match. Many have been asking if we would bring back the Wild Bunch matches and after talking to Goat Neck and others we will try this for a while and see what happens.

Another item, I have been asked on more then one occasion to bring back the T40 class. It stood for Traditional 40 caliber or bigger, with the Traditional class basically becoming the Cowboy class, T40 will become Cowboy 40. Starting in January we will offer Cowboy 40 to be in this class all your main match guns MUST be 40 caliber or bigger. This will be a class we offer for our monthly matches ONLY.

One more item; a portable hand washing station has been donated to us by my Sister-in-law who owns Key City Septic in Abilene. They no longer rent them and offered it to us when we were out there for Thanksgiving. I will be going to pick it up in about 2 weeks and with luck have it set up and working by our January match.

Last item membership is due. In the last news letter I indicated if you get your membership to us by the end of the year you will get 2 CVV bucks. Each buck is worth \$5 off one match. Attached to this news letter is the membership application.

FROM YOUR MEMBERSHIP COORDINATOR

By Rio Hondo Rob

A big WELCOME goes out to new CVV member "Rider", Mike Vince of Mesquite, TX.

I really appreciate seeing members going out of their way to make new prospects feel welcomed to Ormsby Ranch. New prospects have plenty of questions and love answers. Please try to get their e-mail address. I'll make sure they get the "CA News" and follow up. Ask them to stick around after the match. We'll get guns in their hands and have them send some lead downrange. We want them comin' back.

Don't ya' feel proud to see CVV and LSFSC members on the pages of the SASS "Cowboy Chronicle". Even feels better when they are acknowledged with captions. There is "Non Stop" getting due Regulator honor recognition, for his service to SASS, on pg. 31, Oct. issue. Oct. pg.19 shows our own "Cowtown Jack" in his B-Western finery.

"Texas Rick O'Shay" is featured on Oct. pg. 29 for his EOT man-on-man VICTORY (over Lead Dispenser). And there is TRO again on pg. 34, center-R. Way to go, TRO. If you look back in Sept., pg. 29, top-L, there is "Tex Jr.", along with his dad "Tex" and "Capt. Geo. Baylor", sporting the finest conehead sombrero headgear. Hey, "Tex Jr.", where can I get one of those hats? He also appears on Sept. pg. 31, mid R.

There must have been magic on the Pasture. At the TX State Wild Bunch Match, there was an empty space between the Saloon and the Jail. But, on 10/22, at the Sat. CVV match, Shazam, there was an all-newly-constructed Hanging Gallows stage, courtesy of the Hot Tamale Construction, Screen Door, Swiss Cheese, and Chocolate Co. They did it well and fast. Kudos to Molly, Buddy, and "Hawkshaw Fred" for getting it done.

Wasn't our 3rd LSFSC Halloween match, "Ghosts on the Pasture", FUN? Those of you who weren't there missed a good time with great weather. Don't ya' love movin', swingin', clanging, knock-down, flyin'targets? Lets have more of it! Ormsby Shootin' Gallery. I already have the last October weekend marked on my 2012 calendar.

A mega-ton of THANKS to all of you whose hard work made this Non-Traditional Ormsby Ranch Tradition so enjoyable. I hope Capt. Jarrett recovers from all of his "wounds". Well-deserved congratulations to over-all Winner, "Gunslinger".

Comin' at us is the biggest CAS match ever held at Ormsby Ranch. The TEXAS STATE CHAMPIONSHIP Roundup 2012 in early May. Block off May 3, 4, 5, 6 on you new 2012 calendars NOW. It's part of the new CAS triple-crown, Texas 3 Step. Check out the entry form. Participate, there's much to be done. Your help is needed. Contact anybody, on pg. 2, to get involved.

With that in mind, lets get our LSFSC and CVV annual dues in ahead of time. Both clubs' officers greatly appreciate this and it will

allow their attention and effort to be more focused on making Roundup 2012 the slam-bang success that we all want it to be.

As I announced to CVV, on 11/26, I have a forwarding list for "Friends and Family". I send the "CA News" to shooters who live outside our region, but want to know what we are doing. They don't intend to be members, but come to Ormsby Ranch when they happen to be in north Texas. Great! More CAS participation, here. YOU can add "Friends and Family" to my list. All I need is name (alias) and e-mail address. E-mail them to me or give me the details at a LSFSC or CVV match.

I wish you and yours a very MERRY CHRISTMAS and a HAPPY and PROSPEROUS NEW YEAR.

So with that in mind, lets all send Christmas cards our favorite liberal organization trying so hard to remove God, Christ, and Christmas from our American experience. I mean the American Civil Liberties Union. Let's not be crude or rude.

Instead, genuinely wish the ACLU a Merry Christmas and make sure the card says "Christmas". Let's flood their mail with tons of cards to search through (in vain) for donations. Brighten their holidays. Mail to: ACLU, 125 Broad Street, 18th Floor, New York, NY 10004 Could be the best 44 cents you'll spend, this season. Pass this idea on.

Range Operations Committee (ROC) Discussion & Clarification

The following items were presented by the SASS ROC as clarifications to the current SASS rules and were voted on as approved by the SASS TG's in attendance.

1) CLARIFICATION of the rules re: DE-COCKING:

De-cocking may not be done to avoid a penalty if cocked at the wrong time, position or location once a round has gone down range. NO gun may be de-cocked on the firing line except by pointing it down range and pulling the trigger or while under the direct supervision of a stage officer/Timer Operator. The penalty for de-cocking is a Stage Disqualification.

SHB p.23 / RO1 p.16

"Under the direct supervision" requires the TOs acknowledgement in an instructive or affirmative manner. In other words there must be a positive indication to the shooter that the TO is giving his approval for the shooters action.

2) RE: NAVY PEPPERBOX REVOLVER

Noting that it is assembled on a "Colt Navy frame it qualifies as a MAIN MATCH revolver & thus is DISqualified as a "Pocket Pistol" (regardless of barrel length).

3) The 38 S&W SPL is a LEGAL cartridge for PLAINSMAN sidematches (originally introduced in 1899 as a blackpowder round)

4) BASIC RULES FOR THE LONG RANGE COMPETITIONS (SHB p. 18 bullet #4)

Optical and receiver mounted sights are not allowed.

EDIT for CLARIFICATION:

Receiver mounted sights are not allowed. OPTICAL sights are only allowed in that category.

5) NO to the use of any "slug gun" in SASS Long Range RIFLE sidematches. Shotguns using slugs are NOT legal as a RIFLE.

6) The use of any electronic aids to shooting including rangefinders, or any similar device is a Sidematch DQ. There is a mobile app being used DURING Long Range sidematches to calculate info for sight adjustment. (Real time info, including elevation, temperature, humidity, etc inputs combined with preset individual firearm/ammo data). One person punches in the numbers & provides the adjustment info to the shooter. Shooter v.1.6.2.8.

7) BISLEY HAMMER on a Ruger OLD ARMY percussion revolver?

SBHK hammers on a ROA are OK under the current "Firearms Covenants".

Lower and/or wider hammers on percussion revolvers fall under the same allowance as for cartridge pistols. BISLEY hammers (modified or not) installed on ANY revolver without the BISLEY gripframe are still NOT ALLOWED.

8) Clarification re: Ammunition-related "Outlawed/illegal" items will be covered under:

The "Use of illegally-acquired ammunition" penalty.

9) There is no prohibition re: wearing a rifle/pistol ammo slide over SG loops on an ammo belt (as there is in regard to a SHOTSHELL ammo slide),

Sewing the loops directly to a shotshell loop on either a slide or belt is acceptable.

10) Handbook edit (due to oversight):

ADD single-shot shotguns to PLAINSMAN sidematch rules.

SHB p.17

11) Handbook edit (clarification): re OCTAGON BARRELS on REVOLVERS:

BARRELS

- Original barrels may be replaced with new barrels of correct styles (e.g., round, octagon, or half-round) for that particular TYPE firearm.

SHB p.4

12) EDIT: Dropped round/ firearm – a round/ firearm that has left the shooter's control and come to rest at a location or position other than where it was intended.

RO1 "Glossary of Terms" p.30

13) CLARIFICATION: what is meant by "in hand" as applied to loaded revolvers?

The following is to be added to the next edit of the RO1 "Glossary of Terms" :

"REVOLVER IN HAND" is defined as it applies to:

Holstered = Muzzle clear of the mouth of the holster (i.e. "out of leather")

Staged = Muzzle no longer in contact with the surface of the initial staging point

...this provides the same allowance for a 'full grip' on the second (loaded) revolver while firing the first no matter how/where the revolver(s) start on the stage.

Once the muzzle clears the holster or all contact is broken with the prop, the shooter is in violation if not registered as a GF or BW competitor.
