To all LSFSC members, past and present, I am submitting this announcement effective today.

I will not be sending a Presidents Letter for the News Letter this month.

Regarding the News Letter, LSFSC and CVV have decided the News Letter is not as effective as it has been in the past. Due to this, LSFSC and CVV will no longer sponsor a News Letter for publication by email or any other source. Social media has changed the way information is made available today and we feel that the use of social medial is an easier and more effective way to relay club business, therefore going forward we will use Face Book, email and LSFSC and CVV web sites for all events and announcements.

WE would like to thank Willie Earp for a job well done with the News Letter for these many years. We appreciate all the time and effort that he put into the publication. Hopefully these new sources that are now available will make all our endeavors for the clubs easier for all of us.

If you would like we can discuss this in greater detail in person this weekend at the Lone Star match. Otherwise, you can respond to Texas Banker or Shady McLarry by email or phone.

Respectfully submitted,
Texas Banker- President
